School Description

I invite you to explore Red Bluff High School's annual School Accountability Report Card (SARC), which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities and staff. Understanding our educational program, student achievement and curriculum development can assist both our school and the community in ongoing program improvement. Red Bluff High School is focused on providing all students with the opportunity to achieve. We accommodate individual learning styles while maintaining high, obtainable expectations for all students.

Red Bluff High School is quite proud of its rigorous academic curriculum, strong career technical education programs, excellent athletic programs and extensive extracurricular activities that actively engage all students and provide a well-rounded educational experience. Staff and parents work together to create a learning environment that promotes academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. We are excited about our school and welcome all to join in our efforts to create successful, responsible citizens.

If you would like to know more about our school and programs, please contact our office at (530) 529-8710 to schedule an appointment or tour.

Rich Hassay
Principal

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2019-20 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 9	445
Grade 10	419
Grade 11	380
Grade 12	376
Total Enrollment	1,620

2019-20 Student Enrollment by Group

Group	Percent of Total Enrollment
Black or African American	1
American Indian or Alaska Native	2.5
Asian	0.8
Filipino	0.1
Hispanic or Latino	31.9
Native Hawaiian or Pacific Islander	0.1
White	59.6
Two or More Races	4.1
Socioeconomically Disadvantaged	67.4
English Learners	3.3
Students with Disabilities	13.2
Foster Youth	0.8
Homeless	7.4

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials for Red Bluff High School	18-19	19-20	20-21
With Full Credential	83	83	
Without Full Credential	2	5	
Teaching Outside Subject Area of Competence	0	0	

Teacher Credentials for Red Bluff Joint Union	18-19	19-20	20-21
With Full Credential	♦	♦	
Without Full Credential	♦	♦	
Teaching Outside Subject Area of Competence	♦	♦	

Teacher Misassignments and Vacant Teacher Positions at Red Bluff High School

Indicator	18-19	19-20	20-21
Teachers of English Learners	2	2	
Total Teacher Misassignments*	4	13	
Vacant Teacher Positions	0	1	

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.
*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Red Bluff High School attempts to take advantage of adopting the latest materials for use in the classrooms. All instructional materials are carefully selected to align with the State of California Frameworks and requirements. The focus and emphasis of instruction and counseling is to encourage students to graduate from Red Bluff High School.

The selection of instructional materials involves the School Site Council, parents, teachers, community members and students. The board of trustees plays an integral role in ensuring Red Bluff High School secures the highest quality instructional materials available for students and teachers. All core academic textbooks go through a rigorous adoption process. Departments review proposed textbooks and present their proposals to the SSC; then they make their recommendation to the board of trustees. Trustees review the textbooks and will then discuss and adopt the textbooks at an open session of a regular board meeting.

Every student, including English learners, has access to their own textbooks and instructional materials to use in class and to take home. In response to the COVID-19 pandemic, every student attending Red Bluff High School has been issued a Chromebook to provide access and facilitate the learning process for this school year. Additionally, students without internet access have been issued a hotspot to accommodate their connection to the internet and Google Classroom.

Textbooks and Instructional Materials

Year and month in which data were collected: 1/2021

Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
<p>Reading/Language Arts</p>	<p>CA Collections; Houghton, Mifflin, Harcourt Adoption Year 2018</p> <p>Literature & Language Arts,Third Course; Holt, Rinehart and Winston Adoption Year 2007</p> <p>The Bedford Reader; Kennedy, Kennedy and Aaron; Bedford/St. Martin’s Adoption Year 2007</p> <p>AP English: The Language of Composition: Reading, Writing, Rhetoric; by Shea, Scanlon and Dissin Aufses Adoption Year 2013</p> <p>SRA REACH System, McGraw-Hill Adoption Year 2002</p> <p>SRA Direct Instruction Corrective Reading Decoding, McGraw-Hill Adoption Year 2002</p> <p>Literature & Language Arts, Holt Adoption Year 2007</p> <p>The textbooks listed are from most recent adoption: Yes</p> <p>Percent of students lacking their own assigned textbook: 0%</p>

Science Laboratory Equipment	Percent of students lacking their own assigned textbook: 0%

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements (Most Recent Year)

The maintenance and safety of the school facility is of the utmost concern. Surveillance cameras are located strategically around the campus and monitored on a daily basis. Red Bluff High School has a maintenance and operations staff of 18 and one Director of Maintenance and Operations. The campus and classrooms are cleaned on a daily basis. Janitorial staff cleans all classrooms during non-school hours. Red Bluff High School provides a safe, clean learning and working environment.

To maintain a safe and healthy environment, the maintenance staff receives training in general maintenance procedures, handling hazardous materials, safety procedures, equipment safety checks and work safety. This plan can be found at the district office as part of our Comprehensive School Improvement Plan. Designated individuals within the district perform periodic inspections; annual inspections are done by outside agencies.

Safety, cleanliness and maintenance of facilities are high priorities at Red Bluff High School. Long-term maintenance needs are regularly planned.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: 10/2/2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Good	
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	45	N/A	41	N/A	50	N/A
Math	23	N/A	20	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and High School
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
Science	25	N/A	23	N/A	30	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

2019-20 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019-2020 school year.

CAASPP Test Results in Science by Student Group

Grades Three through Eight and Grade Eleven (School Year 2019-2020)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

During a typical school year, the following paragraphs represent the different opportunities that parents and community members have to engage in the school. However, during the current year, many of these engagement opportunities have been via Zoom and other forms of communication. Beginning in March 2021, we have resumed in-person engagement opportunities for our community in accordance with State and local health guidelines. As we continue to monitor the current conditions, we are optimistic that we will be able to resume all of our parental involvement opportunities for the 2021-2022 school year.

It is the philosophy of Red Bluff High School to develop and maintain strong ties to the community and to students and their families. Many of the faculty members serve on county and city boards and committees, as well as community service organizations. It is through this close connection with the community that open lines of communication are maintained, and school programs supported. The community has developed a sense of ownership and responsibility in the education of our students. Parents are encouraged to attend all school functions and special events. Several student/parent nights are provided throughout the school year by our counseling and academic departments. These nights focus on curriculum, assessment, postsecondary educational opportunities, financial aid, eighth grade student/parent information, student and parent orientation, athletic banquets, Future Farmers of America (FFA) banquets/family nights, Back-to-School Night, etc. These events provide an excellent opportunity for parents and the community to be involved with faculty and staff.

To provide effective communication with families, Red Bluff High School utilizes multiple means to help parents be aware of current information and events. Notices are placed on the school's electronic readerboard, school website (www.rbhsd.org), school Facebook and Instagram pages, and Daily Bulletin. The school also utilizes an automated caller to dial all parents regarding special events and notifications. Red Bluff Joint Union High School District (RBJUHSD) website is continually updated with current information regarding curriculum assessment, extracurricular activities, career pathways, and programs that support student learning. The counseling department has a link on the website, which provides updated information on guidance services with email links to staff and counselors. With Parent Portal, parents are able to log in to a secured link and check their student's daily attendance, current grades, and teachers' homework and daily assignments. Parents are able to access teachers' voicemail during the school day. All teachers are accessible by email, and an email directory is listed on the school's website.

Red Bluff High School provides parents with opportunities to be involved and informed with their student's education. The following are various groups that help foster parental engagement.

- The School Site Council (SSC) is a vital group consisting of parents, students, business partners and faculty/staff that develop the Single Plan for Student Achievement (SPSA). The SSC has become an excellent mode of communication throughout the county.
- Several parent meetings with the Superintendent have been held throughout the year. Dinner, childcare and translation services are provided for parents in order to participate in these interactive meetings to discuss and gather input on the various components of our district LCAP.
- The District English Learner Advisory Committee (DELAC) is another supportive group of staff and parents who advise the principal and staff on programs and services for English Language Learners and the SSC on the development of the SPSA. DELAC collaborates with teachers and counselors in providing Latino students with the greatest learning environment and opportunities. The DELAC committee has provided a Parent Academy in an effort to inform, include and value parental involvement of ELLs. The Parent Academy meets every two weeks and provides ELL parents with literacy components that will help them navigate our school system and be better equipped to support their students
- Parent Partnership Team was created to help parents, staff and community collaborate on improving parent involvement and creating a family-friendly environment. Our Parent Partnership Team helps with increasing parent participation.
- Parent Orientation and the Welcome Breakfast helps recruit parent volunteers. The Parent Partnership Team is currently in progress of developing a Parent Resource Center where parents will have a place on campus to have access to the Internet to use their Parent Portal and obtain knowledge of school resources and opportunities for their students.

For more information on how to become involved, contact Counselor and Parent Partnership Coordinator, Darbie Andrews at (530) 529-8716 or dandrews@rbhsd.org

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Our School Safety Committee is composed of District staff, students, School Resource Officer (SRO), and campus supervisors. This committee meets quarterly and reports to the Superintendent. All faculty and staff share the responsibility of guaranteeing the safety of our students and for maintaining an environment free of drugs and violence. Faculty, three campus supervisors and the administrative team supervise the grounds and parking areas—before school, during breaks and lunch, and after school—to help provide a safe campus for all students. All school activities are well attended, and supervised by administration and faculty. Identified problem areas receive increased supervision to assure school safety. There is also a full time SRO from the Red Bluff Police Department on site. Additionally, the plan is designed to affect school culture beyond the physical safety of the students and staff, and to include the emotional and social safety of everyone.

We have extensive surveillance camera coverage and have implemented the Catapult mobile application for better communication in the event of an emergency. Red Bluff Joint Union High School District has developed a safety plan that is reviewed annually. Fire and intruder drills are held on a regular basis and school provided transportation safety is an ongoing program.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	5.1	3.9	5.6	4.9	3.5	3.5
Expulsions	0.0	0.2	0.0	0.2	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3	3.5	2.5
Expulsions	.29	.27	0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	405

*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Student Support Services Staff (School Year 2019-2020)

Title	Number of Full-Time Equivalent (FTE)
Counselor (Social/Behavioral or Career Development)	3.1
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	1
Social Worker	
Nurse	1
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	3

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)

Subject	2017-18 Average Class Size	2017-18 # of Classes* Size 1-20	2017-18 # of Classes* Size 21-32	2017-18 # of Classes* Size 33+	2018-19 Average Class Size	2018-19 # of Classes* Size 1-20	2018-19 # of Classes* Size 21-32	2018-19 # of Classes* Size 33+	2019-20 Average Class Size	2019-20 # of Classes* Size 1-20	2019-20 # of Classes* Size 21-32	2019-20 # of Classes* Size 33+
English	24	20	42	4	26	18	39	5	24	22	43	2
Mathematics	24	16	38	4	23	17	38	4	24	14	41	4
Science	26	7	32		26	11	21	6	24	15	28	1
Social Science	27	6	28	8	27	7	30	3	27	9	27	8

*Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	9	9	9

A district wide comprehensive Staff Development Plan is reviewed each year. Input is solicited from departments, individual staff, and the SSC. Special attention is given to school wide goals, helping students attain State Standards, and our Expected Schoolwide Learning Results (ESLRs). Aligned with District and departmental goals, particular emphasis has been placed on implementing common core curriculum. All departments have been given time to collaborate and develop action plans, based on methods supporting assessment programs through their specific curriculum. Staff has been involved in numerous presentations and activities dealing with multicultural and at-risk populations. Many of RBJUHSD's most impressive in-service trainings have been presented by our own faculty.

All staff participates in weekly Professional Development on Wednesdays with extensive training focused on student achievement. Particular emphasis has been placed on areas of Program Improvement outlined in the LEA Goal Plan. The district is utilizing 3 development teams to drive the district. Those include: Leadership, Academic, and Behavioral. In those groups staff is asking: What are research-based best practices and strategies that have been successful in helping students achieve at high levels? How can we implement these practices into our school culture? What commitments will we make to one another in order to support our teaching? What data will we monitor to support our teaching? What support systems will we have in place to implement the Common Core? What can we do better for social and emotional learning of our students?

Social emotional learning has become a focus of the district. Administration and staff utilize some Wednesday afternoons to focus on the effects of early childhood trauma and how to improve practices to support students in this population. Data indicates that our student population continues to have increased numbers of students who require additional emotional support to be successful on a daily basis.

FY 2018-19 Teacher and Administrative Salaries

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$43,413	\$49,328
Mid-Range Teacher Salary	\$70,604	\$75,987
Highest Teacher Salary	\$91,461	\$99,665
Average Principal Salary (ES)		
Average Principal Salary (MS)		\$140,227
Average Principal Salary (HS)	\$130,430	\$136,386
Superintendent Salary	\$146,968	\$183,166

Percent of District Budget	District Amount	State Average for Districts In Same Category
Teacher Salaries	32.0	30.0
Administrative Salaries	6.0	6.0

* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at www.cde.ca.gov/ds/fd/cs/.

FY 2018-19 Expenditures Per Pupil and School Site Teacher Salaries

Level	Total	Restricted	Unrestricted	Average Teacher Salary
School Site	\$10,441	\$3,613	\$6,828	\$68,768
District	N/A	N/A	\$6,261	\$75,643
State	N/A	N/A	\$7,750	\$82,697

Percent Differences	Unrestricted	Average Teacher Salary
School Site/District	8.7	-9.5
School Site/ State	-12.6	-18.4

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Rate for Red Bluff High School	2016-17	2017-18	2018-19
Dropout Rate	2.2	1.7	0.6
Graduation Rate	93.1	94.2	93.8

Rate for Red Bluff Joint Union High	2016-17	2017-18	2018-19
Dropout Rate	2.7	2.8	3.6
Graduation Rate	86.8	88.5	87.1

Rate for California	2016-17	2017-18	2018-19
Dropout Rate	9.1	9.6	9
Graduation Rate	82.7	83	84.5

Career Technical Education Participation

Measure	CTE Program Participation
Number of pupils participating in CTE	1164
% of pupils completing a CTE program and earning a high school diploma	48
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	19

Career Technical Education Programs

Our mission for building a high-quality Career Technical Education (CTE) Program is to provide all students with an opportunity to have a hands on experience learning technical skills as well as providing students with career development skills. This mission will assist our students to successfully transition into post-secondary training/education and the labor force. We recognize the importance of CTE to be woven into the fabric of our overall educational system.

Our CTE programs reflect a collaboration of industry, school administration, community colleges, CSU, parents, and staff. Our CTE Advisory Committee reflects this collaboration and strongly supports the guiding principles of our commitment to provide all students CTE in their identified career pathway.

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2018-19 Pupils Enrolled in Courses Required for UC/CSU Admission	90.93
2017-18 Graduates Who Completed All Courses Required for UC/CSU Admission	33.55

2019-20 Advanced Placement Courses

Subject	Number of AP Courses Offered*	Percent of Students in AP Courses
Computer Science	2	N/A
English	4	N/A
Fine and Performing Arts		N/A
Foreign Language	1	N/A
Mathematics	2	N/A
Science	3	N/A
Social Science	2	N/A
All courses	14	12.2

*Where there are student course enrollments of at least one student.

Red Bluff High School is committed to CTE and has incorporated specific goals within the LCAP to improve, support, and sustain a successful CTE Career Pathway Program: 1. Implement CTE career pathway program with the support of state grant money. 2. Maintain CTE course offerings with priority given to dual enrolled and a-g courses. 3. Provide CTE classes to Salisbury. 4. Align Professional Learning Communities with specific pathways

All freshmen students receive curriculum and instruction in career exploration in their Exploring Computer Science class. Through career assessments, freshmen discover career pathways that best correlates with their interests. Special attention is placed on enrolling students of special populations into career technical courses. Teachers and counselors encourage students to enroll into non-traditional occupations. Ninety seven percent of our students with disabilities are enrolled in at least one CTE course.

Our campus encompasses 45 acres and is reflective of a community college where students have an opportunity to experience real-world industrial environments. Our mission is to continue to expand and strengthen career technical education for all students. Red Bluff High School offers approximately 60 sections of CTE programs with an enrollment of 1,600 students.

WorkAbility I: Every student with a disability in the RBJUHS District receives career counseling, work-based and school-based learning opportunities, job shadowing, and employability skills training. Juniors and seniors of this population may have the opportunity to receive 80 hours of paid work experience. A large majority of these students also attend CTE programs within the District.

Shasta Community College: Career technical teachers meet annually with Shasta College career technical teachers to review existing dual enrollment agreements. Currently, ten of our CTE pathways have dual enrolled classes through Shasta College. The number of dual enrolled classes across the various pathways are sixteen.

Workforce Innovation and Opportunity Act (WIOA); DBA Job Training Center of Tehama County (JTC): Red Bluff Joint Union High School District has maintained a long-standing relationship with JTC. In the past our District has served on the WIOA Youth Advisory Committee as well as writing letters of support for multiple grants that provided training for young adults. JTC regularly shares appropriate local job announcements with our CTE Office in the effort to provide local and current employment and labor market information to interested students. A JTC representative has been an ongoing business partner on the CTE Advisory Board and has worked with staff to recruit businesses for our annual student Job and Career Fair. We plan to continue a strong partnership with JTC in providing career programs and opportunities for our students.

Red Bluff Joint Union High School District refers WIOA eligible students (especially at-risk populations) to JTC after high school for assistance with CTE postsecondary training, supportive services, and career coaching.

Prime Representative of Career Technical Education: Mitzi LoPiccolo, CTE Director

It is essential that CTE teachers have the opportunity to collaborate with our stakeholders, including Job Training Center (WIOA), business and industry partners, students, parents, and staff in order to effectively plan, implement and evaluate our CTE programs. Our CTE Advisory Committee is the oversight committee for all CTE programs.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
