- Students are permitted to park on school premises as a matter of privilege, not of right.
- The District retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of students' automobiles on school property.
- The District may inspect the interiors of students' automobiles whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside the automobiles.
- Such patrols and inspections may be conducted without notice, without student consent, and without a search warrant.
- A student who fails to provide access to the interior of the car upon request of a school official will be subject to school disciplinary action and loss of parking permit.
- If the student fails to follow school policy and procedure related to use of vehicles, the student's parking pass may be revoked.
- The speed limit is 10 miles per hour. Students must follow traffic arrows and park forward in parking spaces.
- Students may not park in spaces designated for staff or visitor.
- The parking tag must be hung visibly on the rearview mirror.
- The parking tag is not transferable and is to be used only by the student who was issued the permit.
- The school is not responsible for vandalism or theft involving the permitted vehicle.
- Seat belts must be worn by all drivers and passengers at all times while driving on school property.
- All California Vehicle Codes can and will be enforced in school parking lots.
- The student parking lot is for students and their vehicles only. It is not an authorized "Drop-off or Pick-up" zone.
